ATHLETIC CHOICE – FALL TERM

ATHLETICS

Dear Student,

Please rank your choices for Fall Term Athletics. “1” = First choice, “2” = Second choice, and “3” = Third choice.

Student name (please print): _____

_____ **SOCCER**

Soccer: The team focuses on developing soccer skills, sportsmanship, and teamwork during practice and players have an opportunity to apply these skills during games. Check the school’s website for the calendar and information about the opponents. Soccer is limited to no more than 18 players and a tryout is scheduled during the first week of the school. *The School will purchase the uniforms, which will be charged to each player’s account. A player must provide his own cleats, shin pads, and practice socks, appropriate practice shorts and shirt.*

_____ **CROSS-COUNTRY**

Cross Country: The team focuses on developing endurance, perseverance, and dedication. The team participates in competitive meets of approximately 5 km in distance of varying terrains. *The School will purchase the uniforms which will be charged to each runner’s account. A runner must provide his own appropriate running shoes, shorts, and shirt for daily runs.*

_____ **OUTDOOR CHALLENGE**

Outdoor Challenge: This program includes canoeing on lakes and rivers and hiking on wilderness trails. Athletes develop strength, endurance, and an appreciation of nature during those activities. The team climbs Bear Mountain, the tallest peak in the state of Connecticut. *An athlete for this sport must own a pair of sturdy hiking boots, and provide his own raingear, water bottles, and swimming trunks.*
