

Dear Woodhall School Parents,

In the 2016-2017 academic year, E&R - The Campus Laundry will once again provide laundry services to our community.

There are certain realities about student life, in particular that cleaning rooms and doing laundry are put off for classes, clubs, and everything our campus has to offer. In order to help students maintain as clean and hygienic a living environment as possible on campus, E&R offers two especially efficient and practical plans – Look Sharp and Just the Basics. Further details are provided in the enclosed materials.

Because they are designed to allow students to make the most of their limited free time, **please register for one of these plans, which are currently available at discounted rates.** Here's why:

- E&R employs the most environmentally responsible cleaning processes available and minimizes utility consumption compared to using machines typically found in a laundromat, home, or community living facility. *These types of machines cannot compare with the equipment at E&R's central facility in terms of conserving resources (such as water, gas, and electricity).*
- E&R washes or “wet cleans” over 95% of laundry they process (including wash/dry/fold and dress clothes). The remaining 5% are “dry clean only” items, and *E&R uses 100% state-of-the-art and environmentally friendly dry cleaning methods.*

Over the years, E&R – The Campus Laundry has provided reliable and professional service to our students. As such, we encourage each of our families to review the enclosed materials, choose a plan, and ensure their student makes the most of their time on campus.

Sincerely,

Vince Vincent
Dean of Students
