<u>Spring Family Weekend</u>	Thursday, April 20 th – Saturday, April 22 nd

If you are coming from a distance, it is recommended that you plan to travel on Wednesday and stay in the area that night. It is not too early to make reservations for lodging since Fall Family Weekend coincides with the fall foliage season in Connecticut. All students must depart campus at the end of each Family Weekend (Saturday 3pm). Students are due back on campus Monday evening by 7:00 P.M.

Health Requirements

Please complete all the necessary medical forms and permissions, **returning them to school by August 16th**. State law requires that these forms and immunization records be on file before a student is enrolled. Please review the section in the Community Handbook with regard to prescription and non-prescription medication at school and the dispensation thereof. Medical and dental appointments should not be made while school is in session. The School will make appropriate medical appointments for students when unexpected illnesses are needed.

A formal Asbestos Management Program is in place for The Woodhall School, following an asbestos inspection by Eagle Environmental, Inc. (see Asbestos Annual Notice). The Woodhall School has on record the Annual Drinking Water Quality Report for 2015 (CCR Report) that is prepared for the Connecticut Department of Public Health. This report is available upon request.

All off-campus permissions (i.e., school recesses, college visits, family emergencies) must be made with the Dean of Students in advance of travels.
