

THE WOODHALL SCHOOL

**ENROLLMENT PACKET**

ACADEMIC YEAR 2017-2018

Please read all the materials carefully and follow the guidelines and instructions to complete the forms so that all students will be well prepared to benefit fully from our program at The Woodhall School.

**Please keep the Community Handbook for your reference, as every student will receive a copy when he arrives to school.**

Please take the time to read the handbook carefully with your son so that you and he are aware of the guidelines of expected behavior. All members of The Woodhall School community are accountable to uphold and support the spirit and rules of our school. As parents and guardians, you are a part of The Woodhall School community and we need to support each other and work together to help our boys in their personal and academic growth.

**The sections listed below can be found in detail in the Community Handbook for the 2017-2018 School Year.**
